

SPAZIOAMBIENTE

The cultural association SpazioAmbiente was formed in San Ginesio (MC) in 1999 and organizes meetings, festivals and competitions to promote a new Environmental Culture.

The aim is to give to the people accurate and concrete feedback, inviting them to meet the delegates of the public administration, the organizations, the corporations, the operators and the experts of the field.

SpazioAmbiente regularly publishes and promotes its activities on the web side
www.spazioambiente.org

Since 1999

The **eco-competitions** called “RiciclArt”, “Disegna la tua auto ecologica”, “Comportiamo con...” and “C’era una foglia – una fiaba dedicata all’ambiente” (at the 8th edition) are dedicated to Marches primary schools pupils.

The **workshop** and **showroom** is dedicated to the ambiental communication Comunicazione Energia Ambiente CEA (from 2002 to 2008).

ECOLAND - Eco Park: a showroom dedicated to young people, to families and to schools, where meetings, artistic showrooms, competitions, photographic exhibitions, artistic and recycle exhibitions take place.

ECOLOGICAMENTE - **Exposition** and **showroom-market** of the ecological sustainability: it’s the festival dedicated to the energy, the environment and the communication of them (2008-2009).

More than 70 tecno-scientific **seminards** on the environmental field.

Training courses: for “The environmental communicator”, for “Responsible of the intern management of industrial wastes”.
